

A0440

Punte sagomate saldobrasate
Profiled router tools

DESCRIZIONE / DESCRIPTION

Frese saldobrasate a disegno. L'esecuzione standard è a due taglienti (z=2) ma è possibile quando la sagoma lo permetta esecuzione a tre taglienti (z=3) con un aumento del prezzo del 25%

Custom brazed cutters. The standard execution is with two cutting edges (z=2) but it is possible when the shape allows it execution with three cutting edges (z=3) with a price increase of 25%

VARIANTI / OPTIONS

E' possibile montare come opzione, un cuscinetto per seguire forme complesse (prezzo a preventivo)

As an option, it is possible to mount a bearing to follow complex shapes (price on estimate)
