centro lavoro cnc
cnc router

INFO ORDINE / ORDER INFO

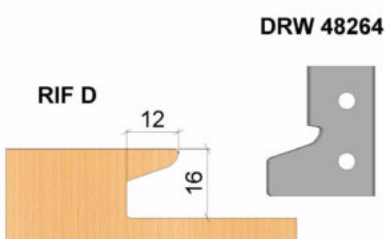

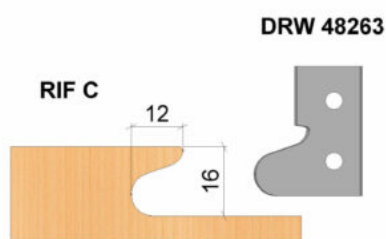

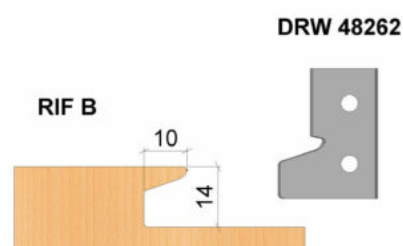

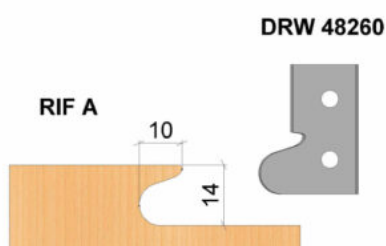

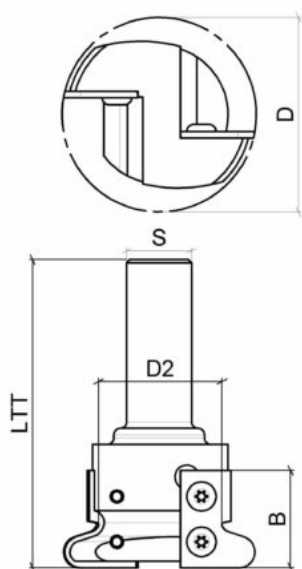

Utensile equipaggiato con coltello Rif.A Drw 48260. Altri coltelli a richiesta.

Tool equipped with knife Rif.A Drw 48260. Other knives optional.

DESCRIZIONE / DESCRIPTION

Punte per eseguire la sede della maniglia su ante di cucine e mobili. Sostituendo i coltelli in dotazione con quelli opzionali, ordinabili a parte, è possibile ottenere sagome diverse e spessori differenti.

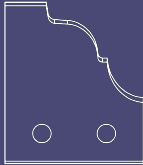

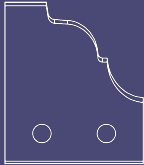

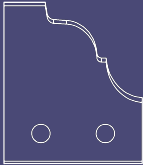

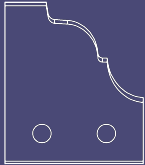

Tool for making the seat of the handle on kitchen and furniture doors. By replacing the supplied knives with the optional ones, which can be ordered separately, it is possible to obtain different shapes and different thicknesses.
